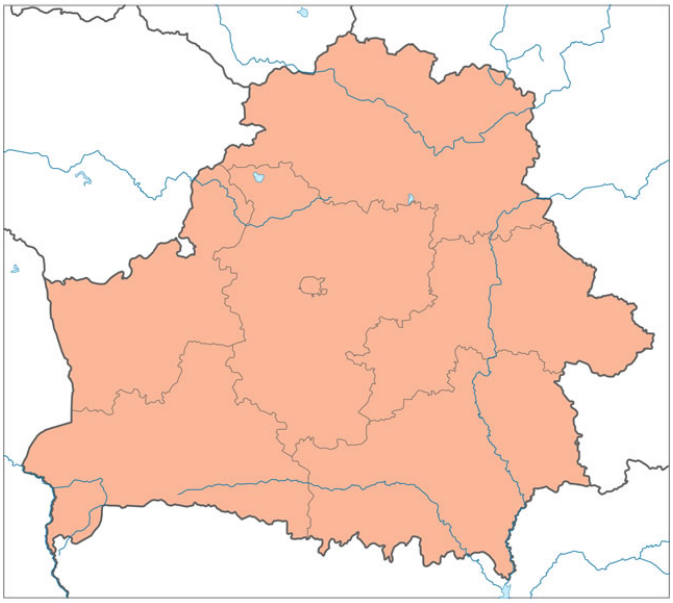
Belarus
Standard service



Our overland traffic offers superb reliability as well as several different service levels adapted to your needs.

General cargo (1-2500 kg), part and whole full loads (2500 ☐ 24000 kg). There are special regulations in place for goods whose length exceeds 6.0 m, width exceeds 2.45 m and height exceeds 2.4 m.

We also transport temperature-controlled and hazardous goods. Transport times are according to the schedule below.

Following documents are needed for transport:
2 copies of EXA(issued by shipper)
4 copies of Invoice (issued by shipper)
4 copies of CMR (issued by shipper or forwarder)
1 copy of TIR Carnet (issued by the forwarder)
1 copy of Information for border crossing point: gross/net weights and value for each custom tariff number (given by shipper or consignee)

Time-table and lead-times on request. Please contact TransFargo for further information.
